Dear Jena:

Your cordial letter of the 24th ult. was received while I was in bed with a bad cold and an attack of sinus. I am much better but not at all well. Am leaving for Browns Wells, Miss this evening.

I appreciate your kind invitation to stop with you on my return from Tampa and shall certainly do so. Can not tell when I will leave

Florida but will arrive some time ahead, so that if you are crowded at your home I can postpone my trip homeward. I have so much to say to you as I am very anxious to learn more about our ancestor. Our first step is to find in what company of Virginia troops James Greene served in the battle of Camden. When we have ascertained that I think we can trace the rest.

Hope this will find you and all your family enjoying the blessing of good health.

Yours sincerely

Seymour Stewart
